

Choosing subjects for year 11 & 12 - or courses at University for a career can be **REALLY** confusing and create a **LOT** of 'angst' for both students and their parents

## WE CAN HELP!!!

Our amazing online Careering Ahead Assessment will give your child (and you) the insight to know their aptitudes, what their personality and values are seeking in a career, and identifying career strengths.

*We can even help career confused and career-dissatisfied parents in the same way!*

*Our simple to read reports match and rank your assessed profile to the most suited careers for you and empowers you to make subject and course choices that are RIGHT FOR YOU!!!*

The Reports will even allow you to explore the match between your career profile, suited jobs, related job descriptions, education requirements, University courses, locations and requirements.

If you would like to **Career Empower** your kids or yourself go to **[www.lifematters.com.au](http://www.lifematters.com.au)**

Click on 'Online Services' choose your assessment (adult or adolescent) and take the steps to your amazing career!!!
